ABOUT ME

I consider myself determined, creative and versatile. Always trying to achieve my goals.

I believe in consistency, hard-work and teamwork. I am experienced in international environments and take pride on what I do.

Currently following a Cyber-security Master in Radboud University. Deeply interested in cyber-security and systems architecture design.

I am passionate about sports, enjoy growing plants and playing CTFs.

COMPUTER SKILLS

I am experienced in the following tools and languages.

• Languages:

- Java
- Python
- C
- Haskell
- Assembly
- JavaScript
- SQL

- Docker

- Jupyter Lab

- LaTeX

- Wireshark

2024 – Current	Junior Consultant Developed software solutions for sustainability-related challenges and conducted applied research. Worked with technologies such as Python, Google Scholar, Microsoft Excel.	Sustainable Solutions, HAN University
2024	Student Assistant in Operating System Concepts Guided students through complex OS topics such as process scheduling, memory management, and concurrency. Evaluated students' work and assisted them with their inquiries.	Radboud University
2024	Student Assistant in Object Oriented Programming Assisted in teaching foundational programming concepts in Java, including class design, inheritance, and exception handling. Evaluated students' work and assisted them with their inquiries.	Radboud University

EDUCATION

2025 – Current	Master's Degree MSc in Cyber-security	Radboud Universiteit, Nijmegen, Netherlands
2022 – 2025	Bachelor's Degree BSc in Computing Science with an specialization in Software and Cyber-security	Radboud Universiteit, Nijmegen, Netherlands
2024 – 2025	Semester Exchange Minor in Japanese Language	Kansai Gaidai University, Japan
2018 – 2022	High School Years 2–6 Ciencias Tecnológicas track	IES La Minilla, Gran Canaria, Spain
2017 – 2018	High School Year 1	Colegio Loyola Gumilla, Puerto Ordaz, Venezuela

CERTIFICATES & TRAININGS

2025

Threat Hunting Training

One day introduction to modern threat hunting.

Orangecon, Netherlands

LANGUAGES

Spanish	Native
English	C1 Certified
Italian	B1
Japanese	Basic
Dutch	Basic

MY PHILOSOPHY

Surround yourself with people who push you to do better and be better.

Be naive enough to start, and stubborn enough to finish.

OTHER

Other work experiences:

- CSU NL - Cleaner
- Traffic Support NL B.V.
- Radboud University – Hall Setter
- Radboud University - Student Ambassador

Other: Driving license (Category B).
